

Magnetos

Bendix Magnetos Parts Description

Magneto replacement parts manufactured and sold by Aero Accessories Inc. are made to specifications dictated by Federal Aviation Administration parts manufacturing approvals. They are highest quality, direct replacement parts, approved for installation and use on certified aircraft. Most Aero Accessories Inc. part numbers include the part number of the original manufacturer, ensuring an easy determination of replacement applicability.

Always refer to the parts and service manual of the original equipment manufacturer or to Aircraft Type Certificate Data Sheets or other FAA-approved data to determine eligibility of a part or component for use in any application.
