## TELEX ASCEND ANR DELUXE HEADSET

Ascend is ideal for commercial pilots with diverse needs and discerning standards. A simple procedure allows you to change the connector, remove the boom, or add a battery. Ascend's advanced noise reduction system specifically targets common cockpit noises, such as wind noise and avionics cooling fans. Improves upon the Active Noise Reduction in the popular ANR 500 & 850 models and the passive noise reduction of the Airman 850. ANR power can be delivered without batteries through the mic plug, or with the convenient

rechargeable battery module. Rechargeable long-lasting battery Ascend with PJ Connectors ..... P/N 11-08535 ..... **\$575.00**

## TELEX ECHELON 20 AVIATION HEADSET

Designed for students, new pilots, and value-conscious experienced fliers. Offers comfort, excellent hearing protection and value. Provides an impressive 20+ dB of passive noise protection and a top-quality noise canceling electret microphone. A low-profile headband for even weight distribution plus patented ComfortCam™ technology, a three-click tension adjustment system for a custom fit. Special earpieces with foam ear-seals pivot two ways to conform to any wearer while detent sliders adjust the headband.

P/N 11-04564 ..... **\$189.00**

## TELEX ECHELON 25XT HEADSET

Includes Telex's innovative cell phone/MP3 adapter that allows you to attach both your cell phone and MP3 player at the same time. Features a plush, thick foam headband pad and newly designed, more comfortable ear cushions. Individual volume controls for each ear cup and a stereo/mono select switch. Impact-Resistant Headband Design. Flight Bag. Weight: 13.6 oz/386 grams P/N 11-04563 ..... **\$329.00**

## TELEX STRATUS 30XT

Allows you to power the headset from the aircraft panel, standard alkaline batteries, or rechargeable batteries. A built-in battery recharger that recharges when plugged into a wall socket, the aircraft's panel power or even your car's 12-volt power outlet. Ensures more than 50 hours of battery life. Telex's patented ComfortCam™ to eliminate clamping. A unique headband construction that distributes weight evenly for a perfect fit, plus thick foam headband pad. Telex's innovative cell phone/MP3 adapter which allows you to attach both your cell phone and MP3 player at the same

time. Flight Bag. Weight: 14.2 oz/403 grams. Runs on 2 AA batteries  
 30XT headset..... P/N 11-04561 ..... **\$575.00**  
 AC/DC 30XT Adapter..... P/N 11-04576 ..... **\$22.50**

## STRATUS™ 50-DIGITAL ANR HEADSET

Cuts noise 3 ways by providing 24dB passive attenuation for high frequency noise outside the ANR range, 15dB of analog ANR for noise reduction below 1000 Hz, and up to 50dB of digital tonal noise reduction. DSP (Digit Signal Processing) allows the Stratus to predict recurring cabin noise and fine tune the Active Noise Reduction for the ultimate in hearing protection. Patented ComfortCam™ tension adjustment allows for a custom fit, as do the heat sensitive slow recovery foam ear cushions, which conform to the user's head during wear. Extra thick cushions and pad reduce headband tension and provide a luxurious feel. Overmolded rubber earcups, volume control knobs and comfort cams offer ease of handling, and add to the comfort package. Features • Capable of battery or panel power Stereo/mono switch • Auto shut-off feature saves battery • Dual volume controls • Reversible mic for pilot/copilot operation • 18 oz. • Collapses for ease of portability. • Incl. Deluxe carrying case  
 P/N 11-04560..... **\$739.00**

## TELEX STRATUS 30

Combines superior ANR protection, a noise-canceling electret microphone, and fully adjustable boom. Include Telex's patented ComfortCam™ technology that allows you to quickly and easily control the tension of the ear cups. Low profile headband. Utilizes impact-resistant headband design with stainless steel reinforced stress points. Cell Phone/Audio Adapter. Advanced Microphone Technology. Boom Microphone. Flight Bag. Weight: 14.2 oz/403 grams. Runs on 2 AA batteries  
 P/N 11-04562 ..... **\$482.00**

## TELEX PRO III 5X5 HEADSET

This headset from Telex features a single side soft ear tip receiver with superior noise cancelling amplifier. The electret microphone is fully adjustable for use on the right or left side. Order push-to-talk switch for aircraft not so equipped.

P/N 11-09600..... **\$259.00**

## TELEX AIRMAN 750 HEADSET

A featherweight headset which is the lightest in the industry (2.5 oz.). Features a miniature noise-canceling electret microphone that provides superior 400 Hz hum rejection. Microphone pivot arm pivots 310° for use on left or right side. The optional Telex PT-300 push-to-talk switch is recommended for use with the Airman 750. P/N 11-09500..... **\$245.00**  
 Airman 750 Airbus plug P/N 11-09302 ..... **\$255.00**  
 Foam Ear Cushions for 750/760..... **\$4.95**

## TELEX AIRMAN 750 SINGLE-SIDED HEADSET

The Airman® 750SS is 25% lighter than the Airman® 750. Its effective weight (without the cord) is only 2.4 oz. Many pilots prefer the ergonomics of a single sided headset. It eliminates the need to pull off one of the earphones when listening to cockpit conversations.

P/N 11-01123 ..... **\$225.00**

## TELEX AIRMAN ANR 850

Uses Active Noise Reduction technology to provide up to 12dB of noise attenuation ensuring the clearest in-flight communication. Weighs less than 4 oz. Combines "set and forget" volume control with never worrying about a battery pack. Power to the ANR is provided by mic bias (active intercom) eliminating the need for battery packs or panel power. By drastically reducing wind noise in jet cockpits, the Airman ANR 850 helps to reduce fatigue. The Telex Airman ANR 850 is unsurpassed in clarity, comfort and convenience..... P/N 11-01880..... **\$450.00**  
 Telex Airman ANR 850 (Airbus Application) ... P/N 11-05464..... **\$445.00**  
 Telex 850 Leather Ear Seals..... P/N 11-04332..... **\$23.75**

## TELEX HEADPHONES

**TELEX AIRMAN 760 HEADPHONE** - A featherweight headphone unit designed for use with hand-held microphones. For long term comfort, an adjustable clothing clip removes the cord weight from the head of the user.

P/N 11-09300..... **\$92.50**
