Date: _____

To whom it may concern:

As owner/operator of the following aircraft, I am requesting LP Aero Plastics, Inc. to fabricate the following windshields, windows, lenses, and/or canopies for this aircraft.

Aircraft Make: _____

Aircraft Model: _____

Aircraft Year: _____ Aircraft Serial Number: _____

Aircraft Registration Number: _____

I understand that I am controlling the design of these parts and therefore they will require a field approval as per FAR Part 21, Subpart K, Paragraph 21.303(b)(2) and Paragraph 21.305(d), as an owner/operator produced part. Please manufacture each item to the following engineering specifications:
